

Full Visa Readiness Report

Generated Date: 4/28/2026

User Information

Goal: I want skilled permanent migration to Australia and need a structured readiness report.

Current Country: India

Passport Country: India

Age: 29

Occupation: Software Engineer

English Level: IELTS 7

Biggest Concern: points and document readiness

Readiness Score

50/100

The indicative score is calculated from missing-data load, risk intensity, and the current points picture. It is a decision-support indicator, not an outcome/eligibility statement.

Primary Gap

Primary gap: The current partial points picture remains a limiting factor for points-tested pathways.

Data Completeness

Completeness: 89%

- Sponsor/family context

Structured Pathway Comparison

Visa: Skilled Independent Visa (189)

Difficulty: High

Requirement Type: Points, occupation, and invitation/nomination based

User-Relative Position: Moderate signal with notable gaps

Visa: Skilled Nominated Visa (190)

Difficulty: High

Requirement Type: Points, occupation, and invitation/nomination based

User-Relative Position: Moderate signal with notable gaps

Visa: Skilled Work Regional Visa (491)

Difficulty: High

Requirement Type: Points, occupation, and invitation/nomination based

User-Relative Position: Moderate signal with notable gaps

Possible Visa Pathways

Skilled Independent Visa (189) - POSSIBLE

Confidence: Medium

The 189 Skilled Independent Visa is a points-tested pathway requiring an invitation. This is general information only and depends on individual circumstances.

Confidence Explanation: Confidence is estimated indicatively from age/English/occupation inputs, partial points picture is 40, and

data completeness (89%).

Key Requirements

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- General context relevant to the invitation requirement

Pathway-Specific Risks

- The current partial points picture sits below the typical minimum threshold.

Skilled Nominated Visa (190) - POSSIBLE

Confidence: Medium

The 190 Skilled Nominated Visa is a points-tested pathway requiring state or territory nomination. This is general information only and depends on individual circumstances.

Confidence Explanation: Confidence is estimated indicatively from age/English/occupation inputs, partial points picture is 40, and data completeness (89%).

Key Requirements

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- State or territory nomination context

Pathway-Specific Risks

- The current partial points picture sits below the typical minimum threshold.
- Without nomination context, this pathway is assessed more cautiously.

Skilled Work Regional Visa (491) - POSSIBLE

Confidence: Medium

The 491 Skilled Work Regional Visa is a provisional regional pathway requiring nomination or relative sponsorship. This is general information only and depends on individual circumstances.

Confidence Explanation: Confidence is estimated indicatively from age/English/occupation inputs, partial points picture is 40, and data completeness (89%).

Key Requirements

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- Regional nomination or eligible relative sponsorship context

Pathway-Specific Risks

- The current partial points picture sits below the typical minimum threshold.
- Regional nomination or eligible-relative sponsorship context is not yet clear.

Key Visa Requirements

Skilled Independent Visa (189)

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- General context relevant to the invitation requirement

Skilled Nominated Visa (190)

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- State or territory nomination context

Skilled Work Regional Visa (491)

- Age and English information relevant to a points-tested pathway
- Occupation and skills assessment context
- Regional nomination or eligible relative sponsorship context

What This Means

- Skilled Independent Visa (189) shows the strongest signal in the current information, with medium confidence.
- This report presents an early structured view that could change when more detail is available.
- The partial points picture is 40, and that figure is based on limited inputs only.
- The stated main concern (points and document readiness) influences the report's risk and requirement emphasis.

Risk Indicators

[High] Points estimate below minimum threshold

Based on available information, estimated points are 40. Skilled pathways generally list 65 as the minimum and invitation thresholds may be higher. This is a partial estimate only and depends on individual circumstances.

[Medium] Document readiness concern

The stated concern appears to relate to document readiness. Reviewing the relevant document categories before starting a visa process may be relevant.

Document Checklist

Identity and passport

- Passport (valid, not expired)
- Identity documents

189/190/491 Skilled Migration Visa

- Skills assessment from relevant assessing authority
- English evidence (IELTS, PTE or equivalent)
- Expression of Interest (EOI) / SkillSelect details
- Points claim evidence (age, employment, education, bonus etc.)
- Employment evidence and references
- Qualification certificates and transcripts
- Police certificates if required
- State/territory nomination evidence for 190
- Nomination or relative sponsorship evidence for 491

Points Estimate

Estimated Points: 40

Age points: 30 points

(29)

English level points: 10 points

(IELTS 7)

This is a partial estimate based on age and English level. Other factors not included: Overseas employment, Australian employment, Education, Bonus factors, Partner status. Actual points position depends on individual circumstances.

Occupation Indication

Occupation: Software Engineer

No data available

No matches were found in the stored occupation data for "Software Engineer". This does not mean the occupation is not listed.

Reviewing official sources may be relevant.

Suggested Next Steps

- Review the official visa information for the possible pathways shown.
- Consider using the points calculator to review the current points position.
- Preparing relevant document categories is generally considered a useful step before a detailed pathway assessment.
- Consider speaking with a registered migration agent for advice that depends on individual circumstances.

Downloadable PDF

This file is the downloadable PDF version of the generated full visa readiness report.

Factors that may affect pathways

- Invitation and processing priority settings can change over time.
- Consistency and coverage of supporting evidence may change pathway comparisons.
- Official criteria and policy updates may shift pathway signals.
- For points-tested pathways, invitation levels and state/territory priorities may fluctuate by period.

Disclaimer

This report contains general information only. It does not provide migration advice, legal advice, or predict visa outcomes. For advice based on personal circumstances, speak with a registered migration agent or Australian legal practitioner.
